- Supports 60W PD pass-through charging
- Supports Wake-on-LAN feature to startup computers remotely
- Simple Plug and Play installation
- Aluminum casing for heat dissipation
- Multi-platform support: Windows, macOS, ChromeOS

Description

This 9-in-1 USB-C to HDMI Adapter makes it possible to expand your device's USB Type-C capacity with HDMI/USB-C PD/USB-C data/USB 3.0/GbE ports and card readers (SD, MicroSD/TF). The adapter allows you to connect to the internet easily through the built-in USB port on your laptop. This is an ideal solution for MacBook or other Windows computers that may have wireless built-in but don't come with an Ethernet port. The adapter provides an easy way to add HDTV, or equipment such as a monitor or projector to any USB-C device such as a smartphone, portable gaming console, MacBook, Chromebook Pixel or any similar late-model laptop with USB-C ports. Perfect for home entertainment, office presentations and classroom teaching.

Additional Information

Color	Grey
EAN	4015867224014
Model Number	DONN06G
Approval and Compliance	CE, RoHS
Compatible operating systems	Windows XP/Vista/7/8/10/11 MacOS 10.5 or above Android 5.0 or above
Package Contents	DONN06G Multilingual quick installation guide
Cable length	20cm
Dimensions (W x D x H)	155 x 38 x 10 mm
Product weight (kg)	0,074
USB Power Delivery (PD)	PD 3.0 (60W)
