Description

The Equip 650160 17"-32" Articulating 6 Monitor Desk Mount Bracket is a versatile and efficient solution for optimizing your workspace. This bracket is designed to accommodate six monitors with screen sizes ranging from 17" to 32" offering a flexible

and expansive display setup.

With its articulating arms, this mount allows you to adjust the position and angle of each monitor individually. This feature enhances ergonomic comfort and helps reduce eye strain by allowing you to customize the viewing angles according to your preferences and needs.

The sturdy construction of the bracket ensures stability and durability, providing a secure platform for your monitors. The sleek and modern design not only adds a professional look to your workspace but also helps in organizing and decluttering your desk.

Installation is made easy with a user-friendly design, and the mount is compatible with VESA mounting patterns for seamless integration with a variety of monitors. Cable management features help keep your cables tidy and organized, contributing to a clean and professional appearance.
