Highlights

Long slot design

A single, long slot fits virtually any type of bread you choose.

High-lift lever

A high-lift lever gives small items an extra boost for safe, easy removal.

Cancel button for instant shut

The cancel button stops toasting at any time for safe and precise operation.

8 browning settings

Adjust toasting time for any bread, however you like it.

Removable crumb tray

Easy to keep clean and tidy thanks to the removable crumb tray.

Auto shut-off protection

Auto shut-off in case of bread jam protects against short circuits.

Defrost mode

Defrost mode effortlessly toasts frozen bread in one go at the touch of a button.

Reheat mode

Reheat mode warms up previously toasted bread in seconds at the touch of a button.

Built-in bun warming rack

An integrated bun warmer heats pastries, rolls, croissants and more.

Cool-touch exterior

Insulated design means the outside walls always stay cool and safe to touch.
