

APACHE 2

DESCRIPTION

APACHE 2 is a gaming combo that will make you feel like a true leader. This combo includes a keyboard and a mouse that is designed to give you the best gaming performance. The keyboard has 104/105 membrane keys that have a rainbow LED illumination and a silver color. It has 19 anti-ghosting keys that ensure your commands are registered accurately. The mouse has 6 buttons, an optical sensor with 3200 DPI, and LED illumination with 4 colors. A combination of black and grey color and a powder coating surface finish gives it a smooth and durable feel. APACHE 2 is the ideal gaming combo for gamers who want to rule the game.
